Fred Breithut Memorial Golf Outing September 14, 2010

A few things to note about today's Outing:

Texas Scramble – Each person drives at all tees. Golfers drop at the location of the best drive. From there everyone finishes the hole with their own ball.

Yellow Ball Competition – Each foursome will be provided with a yellow ball. One golfer uses the same yellow ball for a particular hole, and the ball must rotate between golfers for each hole. The object is to return the ball at the end of the outing. If multiple teams return with their yellow ball then a putting competition will determine the winning team. There will be a special prize for the winning foursome.
