- Ranked in the top 100

SPONSORSHIP

Along with our teamwork and experience, sponsorship has allowed the Eagles to continue to achieve our goals and aspirations. F.I.R.S.T. has recognized the importance of business, and organizational sponsorship in the robotics competition. Funding is essential for the cost of entering the competitions, traveling fees, off the shelf materials, and tools needed to build a robot. Please take the time to consider whether your business or organization can donate capital or supplies to our team. Your generosity will be greatly appreciated by many.

Eagles Team Funding Categories:

- \$5000+ Eagle Partners
- \$2,500 - \$5,000 Eagle Benefactor
- \$1,000 - \$2,500 Eagle Sponsor
- \$500 - \$1,000 Eagle Mentor
- \$100 - \$500 Eagle Contributor
- Up to \$100 Eagle Friend
