

2008 SBPLI LONG ISLAND REGIONAL
FRED BREITHUT AWARD

Team Member Nomination Form

Please nominate one student member per team. This student will be the Team's MVP, and recognized at the Award Ceremony, with the understanding that he/she may be named the Long Island Regional MVP. This information will be used to create Award Certificates for each individual.

Please print clearly for preparation of certificate.

Name of Nominee: Ryan Conolly
Team Number and Name 358 Haystacke Robotic Eagles

Reasons: Ryan was promoted to head of engineering after spending his first year as a pit chief. He is one of the few people "adults included", that not only knows what we have, but more importantly where to find it. Ryan has consistently demonstrated his dedication to the team by not only accepting the jobs that many think of as fun graciously, but ^{completing} ~~completing~~ many of the jobs that others avoid without a second thought.
